

**19th Meeting of the Working Group to the Aarhus Convention  
(Geneva, 17-19. June 2015)  
Agenda item 3 (c): Access to Justice**

**Norway**

We welcome the report from the eight meeting of the Task Force on Access to Justice.

We appreciate the useful and interesting exchange of information and discussion on important substantive issues such as scope of review, mitigating costs and adequate and effective remedies. We also consider promotion of judicial networking to be useful.

We consider that the exchange of information, experiences and discussion in the Task Force provide important contributions to implementation, compliance and capacity building with regard to the Convention.
