Comments and ideas for improvements for future meetings:

- 9th meeting of the COP to the IAC should be the example of the excellent organization and should be followed in the future
- Everything was satisfactory
- Considering that the seminar is of little duration (only three days), the speakers were limited in time. It is desirable to receive wider information which the secretariat has in electronic format
- Thank you very much for the very nice location and the very well organization to Slovenia and Jasmina!! And also a very big thank you to the secretariat for the great support of the Convention in the last biennium!!
- More time
- All is fine!!!
- Side events were good and interesting but the participants must have time to eat something. Idea: up to 12.00 - Meeting; 12-13.00 – Eat; 13-14.45 – Side event; 14.00 – Meeting.
