

# **IMPLEMENTATION OF THE RECOMMENDATIONS OF THE ADAPTED GLOBAL ASSESSMENT**

**Speaker: Oleksandr Osaulenko  
SSSU Chair**

## Adapted Global Assessment of the National Statistical System of Ukraine (September-November 2011)

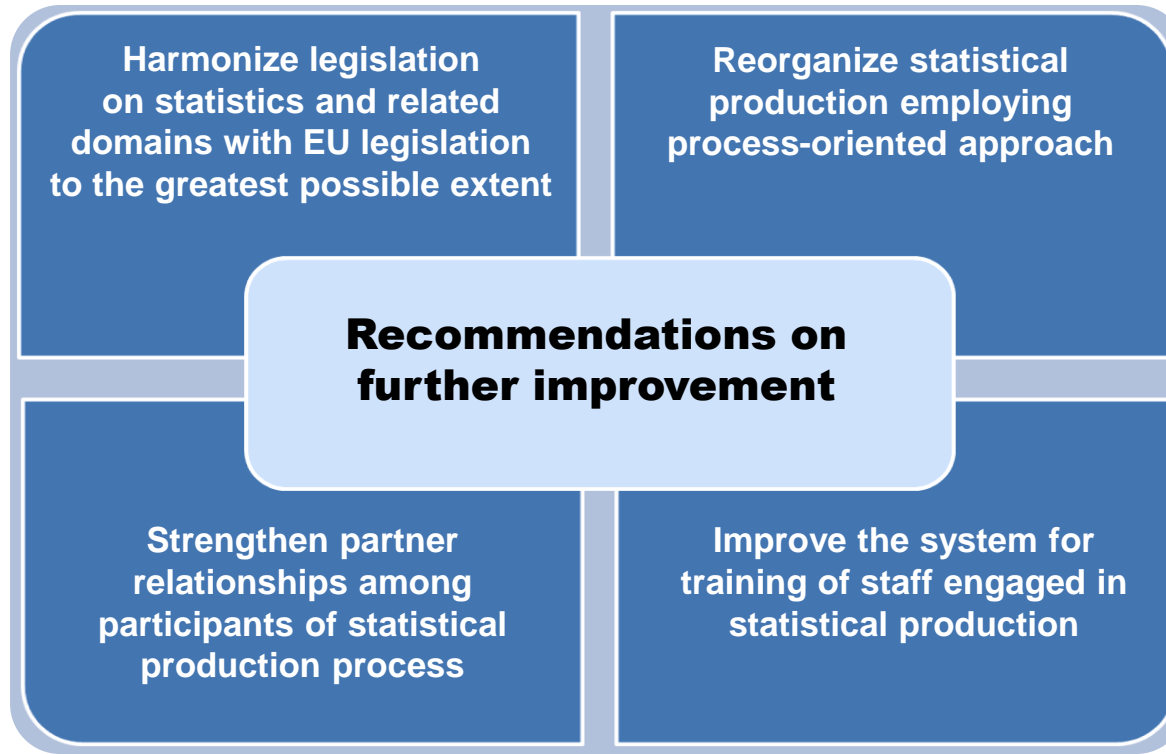

...although still many steps are to be done, **the State Statistics Service of Ukraine is today a highly competent statistical agency which produces high quality statistical products** in many areas...

With its competent experts and the open-mindedness of the top management with respect to future challenges and potentials the SSSU is on the right way towards a highly professional and respected statistical institution.

## Main Recommendations of the Adapted Global Assessment

### DIRECTIONS FOR IMPLEMENTATION OF THE RECOMMENDATIONS

**STRENGTHENING THE PROFESSIONAL INDEPENDENCE**

**FURTHER DEVELOPMENT OF THE NATIONAL STATISTICAL SYSTEM (STRATEGY 2017)**

## Implementation of the Recommendations of the Adapted Global Assessment (strengthening the professional independence)
