

SE4All for Eastern Europe, the Caucasus and Central Asia. Overview of the Project

**National Sustainable Energy Action Plans – from Commitments to Actions. Final Workshop
Bangkok, 8 October 2019**

Oleg Dzioubinski
Sustainable Energy Division, UNECE
Sergey Tulinov
Energy Division, UN ESCAP

Project Information

ENERGY

Sustainable Energy for All (SE4All) in Eastern Europe, the Caucasus and Central Asia

- ✓ June 2016-December 2019
- ✓ Target countries: Azerbaijan, Belarus, Georgia, Kazakhstan, and Kyrgyzstan
- ✓ Implementing agencies: UNECE (lead) and UN ESCAP

Main objectives

- ✓ (EA1) Improved national capacity for data collection and monitoring of progress on energy related sustainable development goals
- ✓ (EA2) Strengthened national capacities to develop national action plans for sustainable energy based on the best international practices

Project Milestones

ENERGY

Capacity building in collection and processing energy related data

- ✓ National Baseline Review Reports of Sustainable Energy Data
- ✓ Two training seminars:
 - ✓ Energy Statistics Network Meeting, Astana, 12-13 June 2017
 - ✓ UN Training Workshop on Sustainable Energy Statistics, Tbilisi, 11-12 September 2017
- ✓ Best practices for data collection and dissemination
- ✓ Country-specific recommendations

Project Milestones

ENERGY

Strengthened national capacities to develop national action plans for sustainable energy

- ✓ Regional Workshop on the Development of National Sustainable Energy Policies, 29 September 2017
- ✓ Multi-stakeholder consultations with the participation of national and international officials and experts (2017-2018)
- ✓ National case studies on sustainable energy (2018)
- ✓ Analysis of National Case Studies (2019)
- ✓ Draft National Sustainable Energy Action Plans (NSEAPs) (2019)

Future Steps

ENERGY

Possible future steps

- ✓ Adoption of National Sustainable Energy Action Plans by Governments
- ✓ Implementation of NSEAPs
- ✓ Support of NSEAP implementation by international organizations
- ✓ Development of NSEAPs by other countries
- ✓ Making use of project results by other projects, strategies, programmes and plans
- ✓ Other???

Thank you!
