I. Description

1. Brief description:

In order to fulfill the requirements in article 26.4 of Regulation n°1013/2006, of the European Parliament and the Council of 14 of June 2006, on shipments of waste, related to the Format of the communications, the MITECO has developed electronic procedures in its website for exports between Spain and third countries (<https://sede.mapama.gob.es/portal/site/se>)

These procedures, operatives since March 2019, will help the notifier/exporter to apply for a shipment of waste using electronic formats with digital signature.

Until now, the exports procedures is the only one developed, but work is ongoing for the import procedures.
