MINISTERUL MEDIULUI ȘI GOSPODĂRIII APELOR

 B-dul Libertății, nr.12, Sector 5, București, Tel: 410.02.46; Fax: 312.42.27
 Nr. 7.200/AF/20.07.2006

 Catre,
 SC Rosia Montana Gold Corporation SA

Avand in vedere ca art. 40 din OM 860/2002 privind aprobarea procedurii de evaluare a impactului asupra mediului si de emitere a acordului de mediu, cu modificarile si completarile ulterioare, stabileste dreptul publicului de a trimite comentarii si intrebari cu privire la proiectele supuse acestei evaluari, va transmitem alaturat o serie de cerinte transmise MMGA de catre un grup de 35 de persoane si elaborate de dl. Robert Moran, expert in domeniul mineritului.

Avand in vedere ca la luarea deciziei finale din cadrul acestei proceduri trebuie sa se tina seama atat de comentariile/cerintelor autoritatilor cat si ale publicului, va rugam sa raspundeti tuturor problemelor ridicate de dl. Moran in anexa pe care o veti atasa la Raportul la studiul de evaluare a impactului asupra mediului.

Restul comentariilor primite de la publicul interesat urmeaza sa fie evaluate si va vor fi transmise in timp util.

De asemenea, in baza art.8 alin.(4) din HCl nr.918/2002, cu modificarile ulterioare, va rugam sa prezentati si notificarea ceruta de dispozitiile IIG 95/2003, ce transpune prevederile Directivei Seveso II.

Director General,

Angela FILIPAS

The English translation of the address:

Having regard that art. 40 of MO no.860/2002 on EIA procedure approval and issuing the environmental agreement, as amended and completed, establish the right of the public to send comments and questions regarding the projects which are subject to the EIA procedure, please find attached a number of requests sent by a group of 35 persons and elaborated by Mr. Robert Moran, mining expert.

page 1 of Annex 1

Having regard that in the process of the final EIA decision it is mandatory that the comments/request, of the public authorities as well as the public, has to be taken into consideration, we kindly ask you to respond to all the problems raised by Mr. Moran in the Annex that you will attached to the EIA report.

Other comments submitted by the concerned public are going to be evaluated and we will send it to you in effective time.

Also, accordingly to art.8 par.4 of GD no.918/2002, as amended and completed, we kindly ask you to submit the mandatory notification requested by the provisions of the GD no.95/2003, which transposed Seveso II Directive.

**General Director
Angela FILIPAS**
