### **Communication ACCC/C/2008/31**

Berlin, 12.07.2011

Dear Ms. Smagadi,

unfortunately, it will not be possible to convey the German response to communication ACCC/C/2008/31 by 13 July 2011.

The German Federal Government has revised its response taking into account the judgement of the European Court of Justice on Case C-115/09. However, the preparations for the authorized translation will last for some time.

Therefore, it will only be possible to submit the German response in calendar week 30 (between 25 July and 29 July 2011).

In the meantime I would like to apologize for any inconvenience caused.

Yours sincerely,

For the Federal Ministry for the Environment, Nature Conservation and Nuclear Safety

Peter Hart
