Communication ACCC/C/2008/31

Dear Ms. Smagadi,

thank you very much for your mail of Mai 18th of 2011.

Unfortunately, it will not be possible to convey the German response to communication ACCC/C/2008/31 already until June 20th of 2011. The assessment of consequences from the judgement of the European Court on case C-115/09 by the German Federal Government will not be completed by that time.

Additionally, it would be difficult to ensure an adequate representation of the German Government in the twenty-third meeting of the Compliance Committee.

I regret that I cannot give you a more positive answer

Yours sincerely,

For the Federal Ministry for the Environment,
Nature Conservation and Nuclear Safety
