Dear Ms. Berthier,

Re: Communication to the Aarhus Convention Compliance Committee concerning compliance by the European Union with provisions of the Convention in connection with access by members of the public to review procedures (ACCC/C/2008/32)

At its forty-fifth meeting (Maastricht, 29 June – 2 July 2014), the Aarhus Convention Compliance Committee considered your letter of 20 May 2014 concerning the above communication. In your letter, you had requested that the Committee resume its consideration of Part II of the findings, given that the communication had been submitted in 2008 and most of the outstanding issues were not within the scope of the court proceedings currently pending before the Court of Justice of the European Union.

The Committee agreed to ask you to set out in more detail those aspects of your communication which were not subject to the ongoing court proceedings. We would be grateful to receive your response to the Committee's request no later than **Friday, 19 September 2014**.

The Committee agreed that it would then seek the views of the Party concerned and thereafter consider how to proceed.

Please do not hesitate to contact the secretariat if you have any questions.

Yours sincerely,
