Dear Sirs

**ROADSENSE v SCOTTISH MINISTERS
EXPENSES**

I refer to your letter of 28 July 2015. I now have instructions that my clients are prepared to accept the sum of [REDACTED] in full and final settlement of the sums owed by Mr Walton in connection with the challenge to the decision of Scottish Ministers of 21 December 2009 in connection with the Aberdeen Western Peripheral Route. I have noted what you have said about not pursuing the matter with the Aarhus Compliance Committee.

I look forward to receipt of your cheque.

Yours faithfully,

SHONA BATHGATE
