Dear Ms Smagadi,

Re: Consideration of ACCC/C/2010/55

Thank you for your letter dated 14th February 2012.

In short, we would welcome the Committee's input in considering the issues at the forthcoming meeting. As indicated in our previous letter dated 24th January 2012, it is likely that there will be a considerably long period to wait before the Court of Justice of the European Union (CJEU) is able to provide a response to the questions from the Upper Tribunal. In fact, these questions have not yet been formally submitted as we are still waiting for the accompanying documents to be agreed before the questions are sent to the CJEU.

Yours sincerely,

Dr Justin Neal
