Att.: Fiona Marshall
Secretary to the Aarhus Convention Compliance Committee

Dear Fiona

Thank you for giving us the opportunity to provide our comments on the draft report.

The wording in paragraph 9 doesn't quite mirror the content of our letter dated 16 September 2013. The letter didn't say that it was *in order to comply with the Committee's findings and recommendations* that the Danish regulation was amended. As pointed out in our letter dated 16 March 2012, we do not – from a purely legal point of view - agree with the considerations of the Committee. The Danish regulation was amended due to a change to the political regime in the Government in the autumn of 2011. We would therefore strongly recommend the wording: *"in order to comply with the Committee's findings and recommendations"* to be deleted because it's factually incorrect.

On the same grounds we strongly recommend deleting paragraph 10, and the sentence *"to fully comply with the Committee's findings and recommendations"* in paragraph 12 (b).

Yours sincerely
