Dear Ms. Marshall,

With regard to your letter from 23 February 2015 concerning compliance by Romania in relation to the permitting process for the Rosia Montana mining project (ACCC/C/2012/69), please find attached the Ministry of Environment, Waters and Forests request regarding the extent with two months of the deadline for providing comments.

We would be grateful if you could please acknowledge the receipt of this email. We will only send the hard copy of the letter by post if we do not receive an acknowledgement from you within the next week.

Kind regards,

Anca Mihaescu
