Dear Ms Mihaescu, dear Ms Radulescu,

I write to seek your further assistance regarding the Court of Appeal's ruling of 13 February 2014.

As you may be aware, the Court of Appeal's ruling refers directly to the wording of petition 984/2010. While the Committee has a copy of the Court of First Instance's civil judgment No. 934 dated 7 March 2011 on petition 984/2010 (see annex 6 to the communication), it does not appear to have ever received a copy of the text of petition 984/2010 itself.

Since the Court of Appeal's ruling refers directly to articles 2 and 4 of petition 984/2010, it would greatly assist the Committee's reading of the Court of Appeal's ruling of 13 February 2014 to receive the text of petition 984/2010.

Would it be possible for either the communicant or the Party concerned to provide the Committee with the original Romanian version and an English translation of petition 984/2010 by return email?

In addition, I would be grateful if you would confirm by return whether or not NAMR has to date provided to the communicant those parts of the information which the Court of Appeal in its ruling of 13 February 2014 upheld should be released to the communicant. If NAMR has indeed already now provided that information to the communicant, I would be grateful if you would indicate on which date it did so.

Thank you very much for your prompt assistance in this matter. If you have any questions about the above, please do not hesitate to contact me.

Kind regards,
Fiona Marshall
