and Access to Justice in Environmental Matters (Aarhus Convention)
United Nations Economic Commission for Europe
Environment Division

Case ACCC/C/2013/81 (Sweden)

Dear Mrs Marshall

In view of the letter from Secretary to the Aarhus Convention Compliance Committee dated 13.8.2015 I emit this answer.

Since I send several documents which together account for an excessive amount of data, the answer is divided in three parts.

Section 1 to prove that I have applied in my name

Section 2 to prove the correct handling of the case

Section 3 Summary

All these documents are in Swedish, but in them is clearly shown what there has to be proved.

Regards
Bernd Stümer
