

Proof of own appeal

Here is a selection of documents proving that I personally, and with the support of local residents who then formed FLIS appealed against a number of building permit decisions and judgments.

Nacka Judgment case P 129-12, 05.15.2014 enter

Bernd Stümer, Väla Farm, Helgarö, 64592 as complainants of the county administrative board's decision.

In all documents from the County Administrative Board or the courts in Nacka and the Svea Court of Appeal clearly shows that Mr Stümer has appealed personally in my own name.

No other conclusion can be drawn from the documents than that Bernd Stümer appealed against building permit decisions on Helgarö / Strängnäs in its own name and as agent and with the support of the public concerned who formed the association FLIS.

I hela rättshandlingen av ärendet överklagan bygglov Helgarö/Strängnäs råder ingen tvekan om detta faktum.
