Dear Ms. Dela Cruz and Ms. Marshall,

Attached you will find the English translation of the decision of the Parliamentary Ombudsmen of 11 March 2009 relating to Mr. Stümer request for information (question 5 in the letter from the secretariat 29 April 2015 with questions from the Compliance Committee). The translation has been carried out by an authorized translator. Attached you will also find the document in Swedish.

We still hope to be able to provide the English translation of the Land and Environmental Court judgment of 9 March 2015 (question 10 in the letter from the secretariat 29 April 2015) and our comments on Mr Stümer's letters on 11 June at the latest. Again, we are very sorry for this delay.

Kind regards,

Lina Oskarsson
