Environmental Affairs Officer
Secretary to the Compliance Committee
Aarhus Convention secretariat
United Nations Economic Commission for Europe

Dear Ms. Marshall,

I would like to confirm that IIDMA can agree not to hold a hearing for case ACCC/C/2014/121. However, instead of the hearing we would need to have the opportunity to send some written comments on the letter sent by the European Commission on 27 November 2015 replying to our communication.

Yours sincerely,

Ana Barreira López
