Subject: ACCC/C/2015/128 (European Union) - re-sending to the Party concerned

Dear Ms Wiedner and Mr Konrad,
Dear Ms Gewessler and Mr Alge,

At last week's 51st meeting of the Compliance Committee, the secretariat was informed by the European Commission that, while the secretariat's covering email of 5 October 2015 (forwarded below) and certain of the attachments to that email had been received by the Commission, the letter forwarding the communication to the Party concerned for its response, which had been attached to the secretariat's email when sent, was not in fact received by the Commission.

In the circumstances, the Chair of the Committee has agreed that the letter forwarding the communication to the Party concerned for its response should be re-sent, with a new five month time-frame for the Party concerned to provide its response to the communication. Please accordingly find the letter as well as the preliminary determination of admissibility attached.

Please do not hesitate to contact me if you have questions regarding the above. We would be grateful if you would acknowledge safe receipt of this email and its two attachments by the end of this week.

Kind regards,

Fiona
