

JORGE BOADO FERNÁNDEZ, SECRETARY OF THE TOWN COUNCIL OF NOIA (A CORUÑA) AND MAYOR-PRESIDENT J. SANTIAGO FREIRE ABEIJÓN.

Certify that on the plenary session that took place on 29th November 2016 the following agreement was reached, which I transcribe literally, except for unintentional errors or omissions:

“8.- MOTION OF GALICIAN NATIONALIST BLOC, OPPOSITION TO POLLUTING DISCHARGES BY TUNGSTEN SAN FINX, LIMITED COMPANY.

The Municipal Plenary, after the vote of the seventeen town councillors present, adopts the following:

AGREEMENT:

First.- The Town Council of Noia opposes the authorisation of the discharge of 1,159.552 m³/year industrial wastewaters to the Pesqueira river or Rabaceiras stream (basin of the Muros and Noia Ría), solicited by TUNGSTEN SAN FINX Limited Company to the public body Augas de Galicia (Waters of Galicia). The town council will also participate in the reference file (DH.V15.54967) and will make as many claims as possible in order to prevent the aforementioned authorisation.”

As evidence thereof, and subject to the terms resulting from the adoption of this act, I do hereby sign this certification with the approval of the mayor, in Noia on 12th December 2016.

The Secretary
Jorge Boado Fernández

Approved by the Mayor
Signed: Santiago Freire Abeijón
