On the basis of the Law of 6 September 2001 on access to public information (Dz. U. No 112, item 1198, as amended), I hereby request the following information:

1. Please state whether a strategic environmental impact assessment procedure (SEA) was carried out prior to the adoption of the multiannual farm and hunting plans for the years 2017-2027 and whether public participation was ensured according to the Act of 3 October on the Provision of Information on the Environment, Public Participation in Environmental Protection and Environmental Impact Assessment?
2. If your answer for the first question is affirmative, please provide us with: the public notice informing the public of the start of works on the draft plans, the comments received, as well as the information on how those comments were taken into account.
3. If the multiannual farm and hunting plans for the years 2017-2027 have not been subject to SEA and no public participation in the process was ensured, please state that clearly in writing.

Please send all of the requested information by electronic mail to: [biuro@pracownia.org.pl](mailto:biuro@pracownia.org.pl)
