Subject: Communicant representation case C-158

Dear Sir/Madam,

I am writing in reference to the open session on the preliminary admissibility of communication PRE/ACCC/C/2018/158 that took place on 2 July 2018. During the audio conference we were informed that the Communicant is represented by Ms. Magdalena Bar.

Ms. Bar is a partner in "Jendrośka, Jerzmański, Bar i Wspólnicy" law firm. Mr Jendrośka announced that he is off the case. Nevertheless, we would like to express our concern about the fact that the Communicant is represented by a close associate of the Compliance Committee member. In our opinion it might affect a transparency and a fairness of the examination of the communication.

Please confirm receipt of this email.

Best regards
