Dear Mr. Ślusarczyk,
Dear Mr. Mielnik,

Re: Communication to the Aarhus Convention Compliance Committee concerning compliance by Poland with respect to public participation on farm and hunting plans and access to justice regarding plans relating to the environment (ACCC/C/2018/158)

Following the response to the above communication received from Poland on 18 June 2019, I write upon the instructions of the Compliance Committee.

At its sixty-third meeting (Geneva, 11-15 March 2019), the Committee agreed to ask the Party concerned and the communicant their views on whether they see any reasons why this case, and communications ACCC/C/2016/151 and ACCC/C/2017/154 (also each concerning Poland), should not be considered jointly. All documentation concerning communications ACCC/C/2016/151 and ACCC/C/2017/154 is available at <https://www.unece.org/env/pp/cc/com.html>.

I would be grateful to receive your reply to the Committee's question **on or before 21 July 2019**. Please send your reply to aarhus.compliance@unece.org, copying the other party and the communicants of ACCC/C/2016/151 and ACCC/C/2017/154 copied on this letter.

Please do not hesitate to contact the secretariat if you have any questions regarding the above.

Yours sincerely,

Fiona Marshall
Secretary to the Aarhus Convention Compliance Committee
