

Annex 9 Twitter of the Ministry of Mining and Energy of RS, tweet of 16 April 2019.

Below you can find screenshots of a tweet published by the Ministry of Mining and Energy on 16 April 2019, following the issuing of the construction permit of the turbine, boiler and generator of Kostolac B, Unit 3. (Ministry of Construction, Transportation and Infrastructure of the Republic of Serbia, Decision No. 351-02-00031 / 2019-07 of 15 April 2019).

The Tweet says (unofficial translation);

'Minister @AAnticBG with the Ambassador of the People's Republic of China #ChenBoo on the site of the construction of the new B3 unit at TPP Kostolac, the largest project of the Serbian Electric Power Industry in the last 30 years.

'Today obtained the most significant building permit for a turbine, boiler and generator of a new boiler'

The above pictures shows the Minister walking over the Kostolac B3 site, construction works clearly visible on the left side of the picture.

The above picture shows the Minister speaking in front of the partly constructed chimney of Kostolac B, Unit 3.
