Subject: Decision V/9m concerning Ukraine - telephone conference and update for the Compliance Committee's 49th meeting, 30 June 2015
Sent by: Fiona Marshall

Dear Ms. Shimkus,

Thank you very much for speaking earlier this week. Thank you also for confirming your availability to take part via telephone in the session to review Ukraine's progress on implementing decision V/9m at the Compliance Committee's 49th meeting next week.

The session will take place from 10.30-11.00am Geneva time on Tuesday, 30 June. We will telephone you on your mobile to connect you to the session.

As discussed, to assist the Committee in its work, I would be very grateful if before the end of this week you could send me a list of all draft legislation before the Parliament which the Government considers would, if adopted, fulfil the requirements of decision V/9m.

For each draft law, please briefly indicate the date it was registered in the Parliament, its current status, and next steps towards its adoption including timeline for same. Also, I would be grateful if you would indicate the dates of all public participation procedures carried out to date on each draft law.

In addition to your valued participation by telephone, a representative of the Permanent Mission of Ukraine is most welcome to attend the session in person should they wish to do so.

Please do not hesitate to let me know if you have any questions regarding any of the above.

We look forward to your participation next Tuesday.

Thank you very much and kind regards,
Fiona Marshall
