I would like to take this opportunity to express my appreciation to You and Compliance Committee for your goodwill and fruitful cooperation, regarding all cases from Albania.

According to case reference ACCC/S/2016/3 (Albania), raised by the Office of the former President of the Republic, in view of the fact that there has been no additional comment or input on their side, in the quality of the AC National Focal Point, I give my consent to the closure of the case at the upcoming meeting.
