

REPUBLIC OF ALBANIA
MINISTRY OF ENVIRONMENT
NATIONAL ENVIRONMENT AGENCY

Protocol no. 570/1

Tirana, dated 23 March 2016

Subject matter: Information

To: Citizens for the Park

Dear citizens!

In response to your letter, by means of which you require information regarding "The construction of the pilot project for children playground in the Park of the Artificial Lake of Tirana", we hereby inform you that the National Environment Agency reviews applications and issue decisions/declarations /permits /license, under the following:

1. Law Nr. 12/2015 "On amendments to Law no. 10440, dated 07 July 2011," On Environmental Impact Assessment ".
2. Decision of the Council of Ministers no. 686, dated 29 July 2015 "On the approval of the rules, responsibilities and timelines for the conducting of the environmental impact assessment procedure and the decision on the procedure for the transfer of the environmental declaration".
3. Law 10448, dated 14 July 2011, "On Environmental Permits".
4. Decision of the Council of Ministers no. 419, dated 25 June 2014 "On the approval of specific requests for the review of the applications for the environmental permit of the types A, B and C, for the transfer of licenses from one entity to another, conditions for the respective environment permits, and detailed rules for their examination by the competent authorities up to the issuance of these permits by the NLC".

According to the laws in force, applications to the National Environment Agency are submitted as follows:

- Through the Ministry of Environmental for the Environment Impact Assessment procedure.
- Through the National Licensing Centre for Environmental Permits procedures.

As above, we inform you that no application has been submitted to the NEA regarding “The construction of the pilot project for children playground in the Park of the Artificial Lake of Tirana”.

Thank you for your cooperation.

JULIAN BEQIRI

DIRECTOR GENERAL
