

# Task Force on Indicators and Reporting TFIR (I)

Pierre Studer

Swiss Federal Office of Public Health

# Mandate of the TFIR

To assist the Parties in

- the establishing of targets and
- the reporting of progress achieved

According to the articles 6 and 7 of the  
Protocol

# Activities of the TFIR

## Elaboration of guidelines:

- On the setting of targets and reporting, evaluation of progress and reporting.
- For the summary report in accordance with article 7

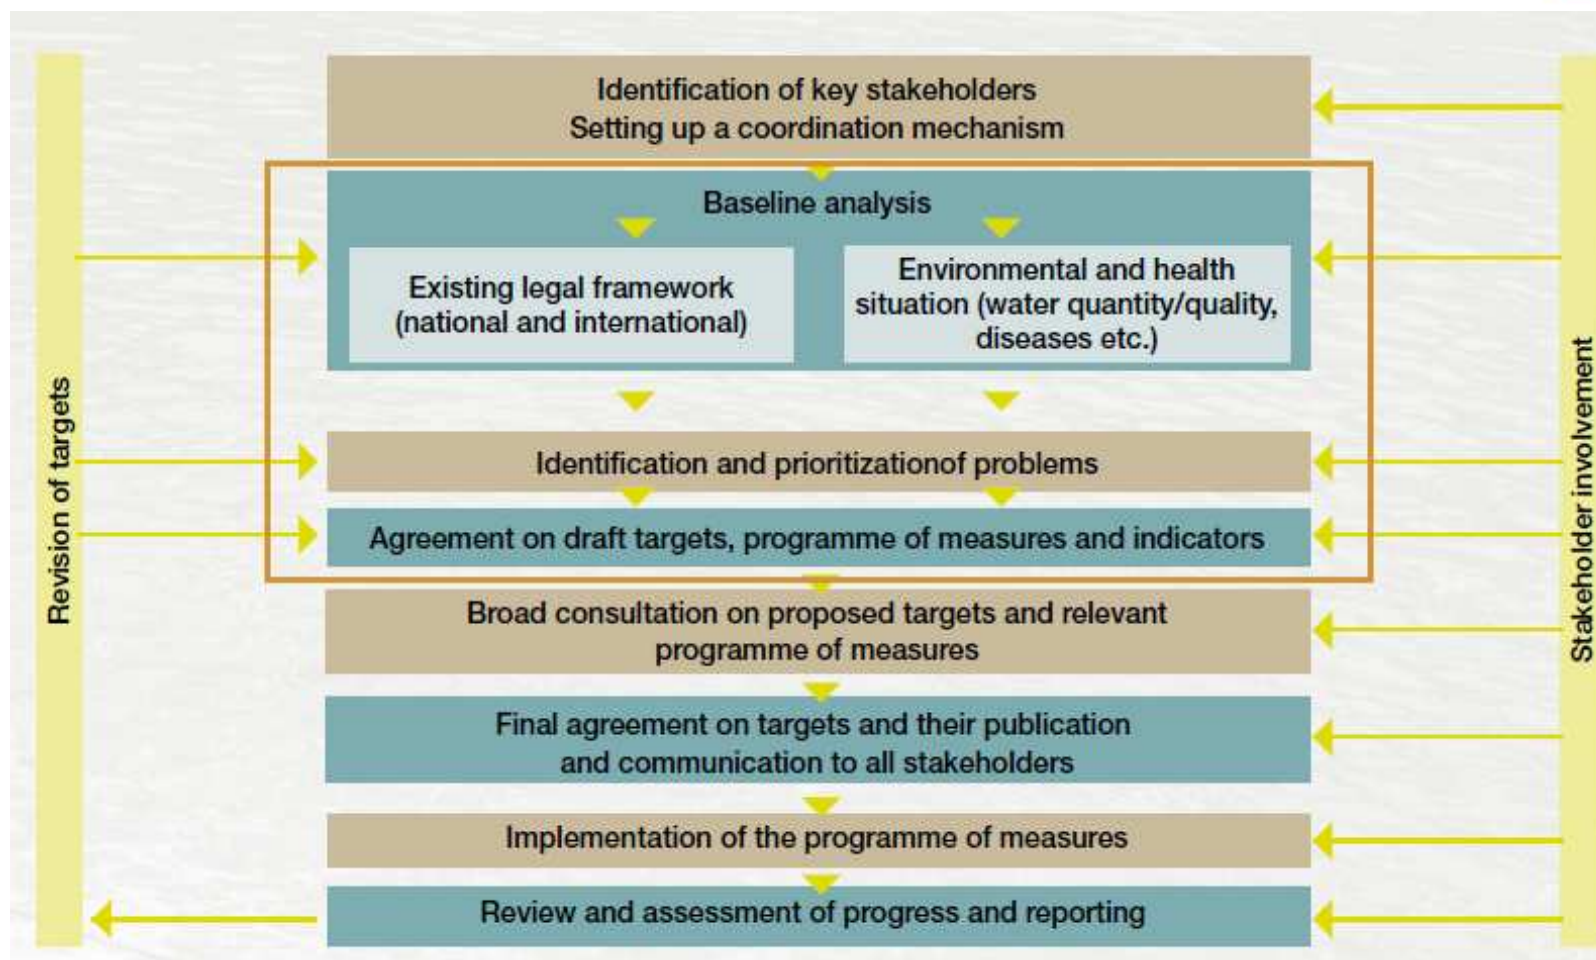

# The setting of targets

The following procedure is proposed:

- Baseline analysis
- Agreement on draft targets, programme and measures and indicators
- Final agreement on targets and their publication and communication
- Review and assessment of progress and reporting

# The setting of targets

Activities of the Task Force on Indicators and Reporting

Second session of the Meeting of the Parties to the Protocol on Water and Health

(Bucharest, Romania, 23 – 25 November 2010)

# Challenges in setting targets

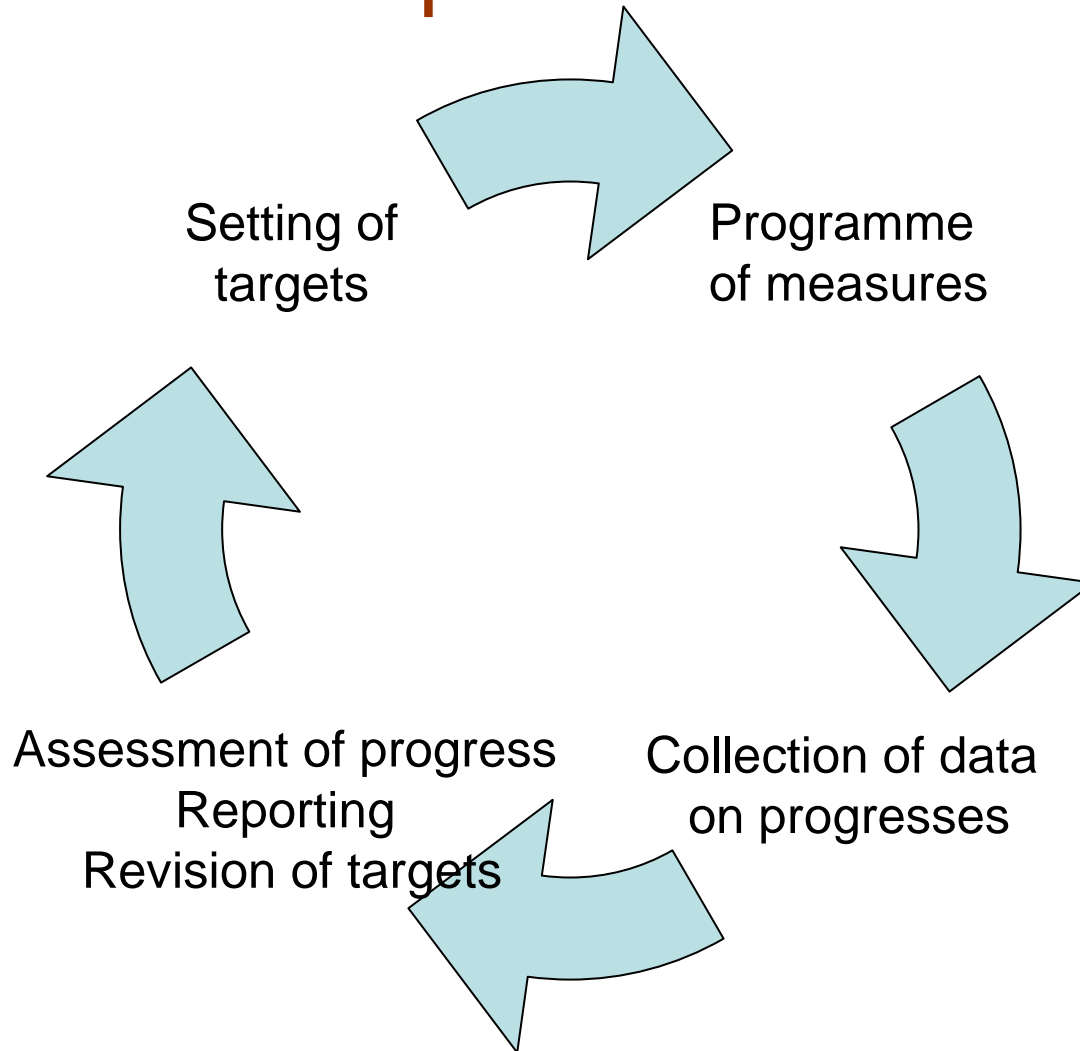

Targets have to be

- based on countries' needs and priorities
- relevant for the current situation
- measurable and realistic
- established by the key stakeholders

Parties are expected to make provisions for public participation

# A permanent optimisation...

Activities of the Task Force on Indicators and Reporting

Second session of the Meeting of the Parties to the Protocol on Water and Health

(Bucharest, Romania, 23 – 25 November 2010)

# Added value of this process

## The setting of targets

- Creates a platform for different stakeholders
- Concerns local and/or national authorities
- Offers a step-by-step approach
- Guides the authorities in the allocation of resources

# Future activities of the Task Force on Target Setting and Reporting

- Facilitating and promoting mechanisms for cross-sectoral cooperation
- Strengthening public participation and fostering involvement of civil society
- Linking targets with operational tasks and programmes of measures
- Provide technical support to Project Facilitation Mechanism

# Thanks a lot to...

- The secretariats
- All participants of the Task Force
- All speakers for interesting presentations on public participation, costs/benefits analyses, GIS-monitoring, or national reporting of complicated situations

...for your attention !!!
