Tamaz Evgenidze, Khelvachauri, Autonomous Republic of Adjara

"Life gives lessons until death. Some people achieve their goals, others do not. I have honestly worked my whole life and advise the younger generation to do so. Every job is a good job. Respect your families, be actively engaged in public life and contribute to the care of the elderly, the poor and the disabled. Love your country and do not forget your roots and ancestors. Always think how you can do good things for your family, children, parents and society."
