ECONOMIC COMMISSION FOR EUROPE

COMMITTEE ON TRADE

Second session
Geneva, 22-25 October 2007
Item 6(a) of the provisional agenda

PROGRAMME OF WORK

Changes to the 2008-2009 programme of work

Note by the secretariat

Following the UNECE reform plan decision concerning the concentration of work on agricultural quality standards within the UNECE, and in view of the progress made to implement this decision by the Committee on Trade, the Working party on Agricultural Quality Standards and its specialized sections, the programme of work for 2008-2009 (document ECE/TRADE/C/2006/12, section 1.3, paragraph 4) should be amended with the following:

Prepare new Terms of Reference and working procedures for the Working Party and its specialized sections.
