

AIRPORT TRANSFER

Important information

Transfer from Athens airport to the hotels will have to be organized by the participants themselves.

The following two options for transportation to and from the hotels are possible:

1. Airport bus

Go to the bus terminal outside the airport arrival terminal and take bus No E 95, destination SYNTAGMA. You can buy the bus ticket in the bus terminal. The ticket price is 2,90 Euros. Validate the ticket on the machine inside the bus. You will travel for approximately 60 minutes. At the bus terminal of SYNTAGMA you will find the metro station. With the same ticket and without validating it again take the metro direction SEPOLIA. Leave the metro at OMONIA station (Attention: only one station between SYNTAGMA and OMONIA). Exit OMONIA station at PIRAEUS STREET. At the corner you will find the ATHENS ACROPOL HOTEL (1, Piraeus street. Attention: The street sign bears the name P. TSALDARI STREET because this street has two different names).

2. Taxi

The distance from the airport to Omonia square it is around 25 kilometers. The taxi fare will be approximately 25 Euros.
