Introduction

At its sixty-fifth session, the TIR Administrative Committee (AC.2) considered a draft proposal for amending Article 18, submitted by the delegation of the Russian Federation. AC.2 decided to invite the views and proposals of Contracting Parties to the proposal submitted by the Russian Federation and instructed the secretariat to collect and consolidate any comments received for consideration at its next session (October 2017) (see ECE/TRANS/WP.30/AC.2/133, para.41(e)). At the same time, as the original proposal was submitted in the Russian language, the secretariat was requested to ensure the translation of the proposal on the basis of which comments would, then, be received. In view of the lengthy process of formal translation, the secretariat takes the opportunity of the session of the Working Party to produce, in Annex, the text of the proposal in Russian (original), English (informal translation) and French (informal translation). Delegations are invited to transmit their comments (if any), to the secretariat no later than 21 July 2017, in order to prepare the relevant document for the session of AC.2.
