INLAND TRANSPORT COMMITTEE

Working Party on Inland Water Transport
(Forty-seventh session, 7-9 October 2003,
agenda item 7 (a))

**AMENDMENT OF THE RECOMMENDATIONS ON TECHNICAL
REQUIREMENTS FOR INLAND NAVIGATION VESSELS**

(annex to resolution No. 17, revised)

Corrigendum 1

Note by the secretariat

Document TRANS/SC.3/2000/1/Add.1, containing the amended text of chapters 9, 10 A, 11 and 12 of the annex to resolution No. 17, revised, which received preliminary approval from the Working Party on Inland Water Transport at its forty-fifth session (TRANS/SC.3/155, item 26), should be corrected as follows:

1. In chapter 10 A, the numbering of items should be amended to follow the pattern used in other chapters of the annex. Thus, item 10 A-0 becomes 10 A-1, etc.
2. The text of the last sentence of item 10 A-3.4 in the English and Russian versions should be brought in line with the French original by adding “at least” after “rated” in the English version, and “рассчитаны” (at least) after “по крайней мере” (rated) in the Russian version.
