Transmitted by the Government of Austria

**Reduced placards for small vehicles carrying packages
of classes 1 and 7**

1. In marg. 11 500 (6) and marg. 71 500 (1) 3rd subparagraph last sentence it is stated that the dimensions of the class 1 or class 7 labels respectively may be reduced (e.g. for small private cars).

However I cannot find an equivalent text for class 1 or class 7 vehicle placards respectively in 5.3.1.7 (see TRANS/WP.15.AC.1/80/Add.6 page 4/5). Was that intended? If yes, when was it proposed and adopted? If not, needs not such a provision be added as 5.3.1.7.4(new)?

2. The sentence "They shall be clearly visible" (regarding the orange-coloured plates) appears twice in 5.3.2.1.1 last sentence and in 5.3.2.2.1 second sentence, is that intended or should not the sentence in 5.3.2.2.1 be deleted?
