Editorial amendments

Transmitted by the Secretariat

PART 3

Chapter 3.1

- 3.1.2.7 Replace "included" with "transported".
- 3.1.2.8.1 Replace "their technical" with "the technical" in the first sentence.

PART 4

Chapter 4.1

- 4.1.3.6 Replace "Cylinders, bundles of cylinders, pressure drums and tubes" with "All cylinders, tubes, pressure drums and bundles of cylinders".
(*Justification*: same wording as in P200)

4.1.4.1 P002 and

P410 In ADR and IMDG Code, under "Single packagings" for Boxes, notes "e" (in P002) and "c" (in P410) which read: "These packagings shall not be used when the substances being carried may become liquid during carriage (see 4.1.3.4)" apply also to boxes made of steel, aluminium and solid plastics. In the UN Recommendations, note "5" (in P002) and "3" (in P410), with the same wording as "e" and "c", do not apply to steel, aluminium and solid plastics boxes.

The Subcommittee is invited to consider whether or not it is necessary to extend the application of notes "5" and "3" in P002 and P410 respectively, to steel, aluminium and solid plastics boxes, in order to align the UN Recommendations with ADR and IMDG Code.

P906(1) and
