For the attention of Mr. O. Kervella

**Twenty-fourth Session of the Subcommittee of Experts on Transport of Dangerous Goods, Geneva, 1 to 10 December 2003**

Dear Mr. Kervella,

We would like to bring to your attention that the following Draft International Standard, emanating from the subcommittee ISO/TC 122/SC 3 - *Performance requirements and tests for means of packaging, packages and unit loads (as required by ISO/TC 122)*, has been distributed to ISO member bodies and CEN member bodies for parallel voting:

- **EN ISO/DIS 16106 - Packaging -- Transport packages for dangerous goods -- Dangerous goods packagings, intermediate bulk containers (IBCS) and large packagings -- Guidelines for the application of EN ISO 9001**

Copies (In English and French) of that draft are enclosed.

It appears that this standardization work is of interest in connection with the activity of the SCETDG and we should be grateful if you would inform the members of that body, kindly inviting them to review this document and to submit their comments, if any, through the ISO or CEN member body in their country, no later than 2004-04-27.

Yours sincerely,
