INLAND TRANSPORT COMMITTEE

Working Party on Transport Statistics
(Fifty-fourth session, 11-13 June 2003,
agenda item 5(e))

METHODOLOGICAL DEVELOPMENT AND HARMONIZATION
OF TRANSPORT STATISTICS

Pilot questionnaire on transport of gas through pipelines

Submitted by the Government of Finland

Note: In view of the interest of the Working Party to be informed about various national systems for the transport of gas through pipelines, the Government of Finland has prepared a document which is reproduced below.

* * *

As agreed in the meeting of the Working Party on Transport Statistics (WP.6) in November 2002, below is a short description of the Finnish statistical information available on gas through pipelines.

The following information is transmitted to the International Gas Union (IGU):

- Amount of gas
 - Length of pipelines (transmission and distribution)
 - Investment.
-
