Proposal from India for a Draft Amendment to
Regulation No. ECE R 30 – Pneumatic Tyres

Comments on TRANS/WP29/GRRF/2004/20

A. PROPOSAL

Correction to TRANS/WP.29/GRRF/2004/20

1. Insert new paragraph 3.1.12. to read:

“ 3.1.12. “The symbol below if the tyre is a “run flat tyre”, followed by “X” in km, where “X” equals the distance to which the tyre is approved [minimum 80 km] when tested in the “flat tyre “ running mode. The height of “X” shall be a minimum of 12 mm.”

2. Correction to 4.1.22.:

“ 4.1.22. The specified distance in km [minium 80 km] for the “flat tyre running mode” of “run flat” (see annex 7 paragraph 3. [Procedure to assess the for the “flat tyre running mode” of “run flat tyres”])

B. JUSTIFICATION

Typographical corrections in the text.
