ECONOMIC COMMISSION FOR EUROPE

INLAND TRANSPORT COMMITTEE

Working Party on the Transport of Dangerous Goods

Joint Meeting of the RID Safety Committee and the
Working Party on the Transport of Dangerous Goods
(Bern, 7-11 March 2005)

NEW PROPOSALS OF AMENDMENTS TO RID/ADR/ADN

Obligations of the Packer with regard to Overpacks

Transmitted by the Government of Austria */

In Austria, the opinion is predominant that the packer according to 1.4.3.2 b) RID/ADR/ADN when he prepares the packages for carriage shall also comply with the requirements concerning marking and labelling of overpacks.

Since, however, in 1.4.3.2 b) only “packages“ are mentioned, it is brought forward in order to avoid misunderstandings to add “and overpacks” at the end of 1.4.3.2 b).

*/ Circulated by the Central Office for International Carriage by Rail (OCTI) under the symbol OCTI/RID/GT-III/2005/14.
