ECONOMIC COMMISSION FOR EUROPE

INLAND TRANSPORT COMMITTEE

Working Party on Rail Transport

Sixtieth session
Geneva, 15-17 November 2006
Agenda item 10

**Interoperability and harmonization of conditions of different rail
transport systems***

**Transmitted by the Committee of the Organization for
Cooperation between Railways (OSJD)**

1. We hereby inform the Working Party that on 19 October 2006 a joint seminar will be held at the OSJD Committee in Warsaw to discuss cooperation between railways using 1,435 mm and 1,520 mm gauge and to define areas of cooperation between OSJD and the European Union. Representatives of DG TREN and ERA will attend.
2. The OSJD representative will brief participants at the Working Party's meeting in Geneva on 15 and 17 November on the outcome of the seminar and plans for further cooperation between OSJD and the European Union in the field of harmonization of different railway transport systems (1,435 mm and 1,520 mm gauge).

* The ECE Transport Division has submitted the present document after the official document deadline due to resource constraints.
