Note by the secretariat

**Background**

The Inland Transport Committee, at its 69<sup>th</sup> session, indicated that its Working Parties would have to draw up, in cooperation with the secretariat, a draft expected accomplishment related to their work areas as well as indicators and appropriate methodologies, which would have to be submitted to the Bureau (refer to ECE/TRANS/192, par. 110, ECE/TRANS/WP.15/192, par. 8, and informal document INF. 31 submitted at the 82<sup>nd</sup> session of the Working Party).

The Working Party may wish to comment this first draft.
