Proposed amendments to 1.2 Definitions

− "Explosion danger areas" (document AC.2/26): see whether the full reference to the EU Directive should be added in a footnote as is normally done.

− "Explosion group", amend the text in parenthesis to read "(...EN 50014:1994)". Place the text in parenthesis at the end of the definition.

− "Fixed tank" : insert "or to a wagon (which then becomes a tank-wagon)" after "a tank-vehicle)" and "or wagon" after "vehicle" at the end.

− Definition of "liquid" : replace the first three dashes by (a), (b), (c). To be decided.

− Definition of "gas" (two definitions). Applies to French version only.

− In the definitions of "Gas return piping", delete "and vapours" (because "vapours" are covered by the definition of "gas").

− Insert two new definitions: (from RID) "Closed wagon means a vehicle with sides and a fixed or movable roof" and "Open wagon means a wagon with or without side boards and a tailboard, the loading surfaces of which are open".
− In the definition of "Dangerous reaction", in indent (e) insert "and cargo tanks" after "tanks".

− In the definition of "Full load", insert ", of a wagon" after "vehicle".

− In the definition of "GRV", insert "of ADR" after "Chapter 6.1".

In NOTE 2, replace the second "ADR" by "ADN".

− In the definition of "Manual of Tests and Criteria", modify to read "Amend.2". (AC.2/26).

− In the definition of "ISO (standard)" editorial: reformat the address (comma, dash, full stop, etc).

− In the definition of "Cargo tank (state)" : delete "or vapours" after "gas"

− In the definition of "Mass of package", replace "containers and tanks" by "containers, tanks, vehicles and wagons".

− Throughout the definitions, when addresses are given, delete the country name if the country code is given (e.g. : CH – 1211 Geneva, Switzerland)

− In the definition of "Stripping system" : add "remains and" before "residues"

− Add the definition of "Emergency temperature". Applies to French version only.

− In the definition of "Cargo pump-room" delete "- see Classification of zones".

− In the definition of "Type of vessel", add definitions of "type N closed", "Type N open" and "Type N open with flame arrester".

− In the definition of "Bulkhead (watertight)" : inverse the indents so that ".- in a dry cargo vessel ..." comes first.

− In the definition of "Bulk container": at the end replace "wagons/vehicles" by "vehicles or wagons".

− In the definition of "Safety valve" : in the parenthesis, insert "high-speed valve," after "also".

− "Slops" : the definition under "Cargo residues" to read: "see Slops". There is a new definition for "Slops" (see AC.2/26).

− In the definition of "Tank", modify the listing to read as follows:
"...tank container, portable tank, demountable tank, fixed tank, tank-wagon, as defined ...". Insert "battery wagons" before "or MEGCs".
In the definition of "Tank record" : modify to read : "… a tank, a battery-vehicle, a battery-wagon or an MEGC …".
