

**INDIA'S COMMENTS ON NEW PROPOSAL FOR DRAFT AMENDMENTS TO
REGULATION No. 48 VIDE ECE/TRANS/WP.29/GRE/2008/20**

India suggests modification in the current text of the Regulation 48 as follows: (deletions are scored out and additions marked in **bold** characters).

A. PROPOSAL

Paragraph 5.15., amend to read (inserting a new entry at the end):

"5.15. The colours of the light emitted by the lamps are the following:

.....

adaptive front-lighting systems (AFS): white."

Exterior courtesy lamp : white."

B JUSTIFICATION

The document No. ECE/TRANS/WP.29/GRE/2008/20 proposes the addition of new lamp "Exterior courtesy lamp". India agrees proposal in principle, however, the requirements of colour need to be addressed in the regulation No. 48, to avoid the fitment of different colour lamps.
