

## Proposal for Corrigendum 1 to Supplement 10 to Regulation No. 98

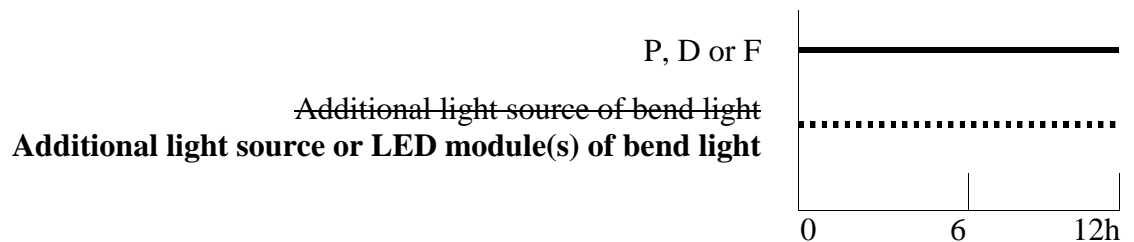

A proposal from GTB to amend Regulation 98 to incorporate LED modules was adopted and became supplement 9. Subsequently GTB submitted GRE-2007-44 which was converted to WP29-2008-31 which was adopted and became supplement 10. During the process of developing supplement 10, the provisions in annex4 were inadvertently changed and reversed the text previously agreed and adopted in supplement 9.

Annex4, correct to read as follows: (Corrections shown in strike-through and BOLD characters)
