## B. JUSTIFICATION

The OVIG document GRE-60-04 refers to vehicles of the categories M and N only. This has not been taken into account in the document ECE/TRANS/WP29/2009/22 which was submitted to 147<sup>th</sup> session of WP.29.

Also transitional provisions refer only to the OVIG part of the document and not to the all Supplement 3 to the 04 series. The aim of this corrigendum is to clarify the situation.
