Item 4.6.5 of the provisional agenda

1958 Agreement – Consideration of draft

corrigenda to existing Regulations proposed by GRE

Proposal for Corrigendum 3 to Revision 6 to Regulation No. 48 (Installation of lighting and light-signalling devices)

Corrigendum

1. Page 2

Paragraph 2.7.27., correct to read:

“2.7.27. “*Objective luminous flux*” means the a design (target) value of the luminous flux of a light source or of a light source module that is to be achieved at the specified test voltage as indicated in:

- (a) the relevant data sheet of the applicable light source Regulation according to which the light source is approved, or
- (b) the technical specification as submitted with the light source module for approval of the lamp of which the light source module is a part.”
