\* In accordance with the programme of work of the Inland Transport Committee for 2006–2010 (ECE/TRANS/166/Add.1, programme activity 02.4), the World Forum will develop, harmonize and update Regulations in order to enhance the performance of vehicles. The present document is submitted in conformity with that mandate.

## **I. Proposal**

*Paragraph 6.3.*, shall be deleted.

## **II. Justification**

Supplement 19 to the 01 series of amendments to Regulation No. 6 introduced revised photometric provisions in paragraph 6.1. As a result the content of paragraph 6.3. no longer applies and should have been deleted as part of the Supplement 19 amendment. This corrigendum rectifies this editorial error.
