Economic Commission for Europe

Inland Transport Committee

Seventy-third session

Geneva, 1–3 March 2011

Item 8 of the provisional agenda

Roundtable discussion on “Transport of dangerous goods: Global and regional dimensions”

Transport of Dangerous Goods – Global and Regional Dimensions

Note by the secretariat

1. The Bureau of the United Nations Economic Commission for Europe (UNECE) Inland Transport Committee (ITC) has selected "Transport of Dangerous Goods: Global and regional dimensions" as the theme of its policy-oriented segment (round table) for its 73rd session.
2. The secretariat has sought, through information of all organs dealing with transport of dangerous goods serviced by the UNECE secretariat, and through calls of papers, contributions from UNECE and non-UNECE countries, intergovernmental organizations, NGOs or the private sector presenting their vision of future developments, challenges and opportunities regarding the transport of dangerous goods in the UNECE region and the global context.
3. A first draft programme was issued as informal document INF.6 at the last session of the Bureau.
4. The final programme is reproduced below.
