Corrections to UN/SCETDG/42/INF.16 – UN/SCEGHS/24/INF.8 (Harmonisation of the skin corrosion classification criteria in the Model Regulations with those in GHS)

Transmitted by the European Chemical Industry Council (CEFIC)

Cefic has noticed that there are 2 errors in document UN/SCETDG/42/INF.16 – UN/SCEGHS/24/INF.8. These should be corrected as follows:

- on page 5 in subsection 2.8.2.2 (a): replace “… additional criteria in table 2.8.3 for …” by “… additional criteria in table 2.8.2.2 for …”.
- on page 6 in Table 2.8.2.2: replace the exposure time for Packing Group II from “> 3 min ≤ 1 hr” into “≤ 1 hr”.
