Working Party on Inland Water Transport

Working Party on the Standardization of Technical and Safety Requirements in Inland Navigation

Fortieth session
Geneva, 15–17 February 2012
Item 11 of the provisional agenda

Recreational navigation

Submitted by Euromapping
AGNP map proposed in 2003 (with minor amendments)

European recreational navigation network

- **R0**: Standing mast routes
- **R1**: Large motor yachts (often coinciding with Class I)
- **R2**: Cabin cruisers
- **RA**: Small craft, for reference, not shown at this scale

**NOTE**: This is a working draft only. The distortion is designed so that all waterways can be visualised on a single sheet, highlighting new construction projects and missing links.
